To Whom It May Concern:

Zions Bank commissioned the Young Fine Art Studio to produce a monument to commemorate Olympic Gold Medalist Jim Shea. The sculptors, Richard Young and Lena Toritch proposed and created the statue "THREE GENERATIONS" which reflected not only Jim's Olympic spirit, but also a strong family bond between generations of outstanding athletes.

Now the uncanny likenesses of Jim Shea, his father Jim Shea Sr, and his grandfather Jack Shea are displayed in the lobby of Zions Bank at Newpark in Park City, greeting visitors to the bank.

The bronze statue compliments the interior of our new bank, and has become a very nice addition. I would recommend Richard Young and Lena Toritch as sculptors who can design and create a statue to enhance any building.

Sincerely,

Becky Kearns
