

Dear Lena,

You have truly captured the essence of Gifford with the statue you created. Gifford was the BEST! A gentle, kind, and loving dog. He was also the 1/2 Brother to younger Brother Charlie and the Father of Annabel.....both of whom are with us. It was so sad to loose him this summer.

Thanks to you, our handsome friend will always be remembered in a very special way. His presence is heartwarming. Your talent is "beyond" and overwhelming. We are so proud to have Gifford's statue so we can walk by him and pat him on his head. And, even more proud to have a piece of YOUR work!

Please accept our gratitude for your expertise and for what you have created. We feel blessed to have found you and blessed to have Gifford.

Fondly,

Jill and Henry Tallman
